'INFORMATION TECHNOLOGY' POLICY

It shall be our endeavour to upgrade the working systems and procedures, maintaining pace with advancement in Information Technology and Communication Systems world wide.

Our effort will be to move gradually towards paperless office in every discipline and thus put our contribution for environmental protection. Applications shall be developed for effective information exchange and communication to improve productivity.

Systems and procedures will be established to ensure that critical information is stored in secured, virus free retrievable environment.

The policy shall encompass all activities of BHAVINI and contractors/ vendors' works that bring them into contact with BHAVINI IT Systems.
