QUALITY POLICY

Bharatiya Nabhikiya Vidyut Nigam Limited (BHAVINI) a public sector under Department of Atomic Energy (DAE) is committed to organize, provide and direct all its resources in establishing and maintaining an effective Quality Management System (QMS) programme and continually improving its effectiveness in implementation during all the phases of Design, Construction, Commissioning, Operation & Maintenance of India's first 500 MWe Prototype Fast Breeder Reactor (PFBR) project.

Project Director, BHAVINI is responsible for implementation and monitoring the effectiveness of QMS. An independent Quality Assurance Group has been set-up under Project Director and is responsible for ensuring the implementation of QMS during Design, Procurement, Manufacturing of equipment's & components at manufacturer's premises and installation, commissioning at site fabrication facilities and also during Operation & Maintenance phase. We commit to maintain, continually improve and achieve high quality standards and services of uncompromising quality by QA group also.

The responsibility of QMS implementation is delegated to Superintendent (QA), heading the Quality Assurance Group is supported by the Project Engineers for formulating, reviewing, monitoring, verifying and assessing the effective implementation of Quality Assurance Programme in all the phases of activities at BHAVINI.

Head of the Quality Assurance Group has been delegated authority for conducting verification activities in the form of QA Audits during all the phases of (a) Procurement (b) Construction (c) Erection (d) Commissioning (e) Operation & Maintenance activities.

Head of QA Group also has been given full authority for suspension of work in the event of significant deviations in Quality related activities when noticed, till they are resolved.
